Meet a Musician Workshop with Halle

HALLÉ

Dear Parent/Carer(s),

As an effort to continue bringing enrichment to the Hive's curriculum, we have booked a workshop with Manchester's **Halle Orchestra**. They will be delivering a SEND-oriented workshop, called **Meet a Musician**, giving the children the opportunity to explore music as part of their extended curriculum. This is an experience that we had the pleasure of welcoming last year and the children loved meeting the violinist and asking her lots of questions about music.

The workshop will be led again by one of the Halle's violinists, who will be delivering live music, as well as telling the story of her life as a musician. The class will have the opportunity to ask questions, hear the musician perform and take part in a range of musical games and activities.

This experience will be taking place on **Wednesday 2nd December 2026**, on the school premises. The class will be split into 2 groups, each having their own session between **10:00am and 11:00am**. The total cost for this is £15 per child. This event is now payable via School Money, with the option to pay in instalments if you wish. To confirm consent for this experience, please access the consent form alongside your contributions.

Extra accommodations have been made to ensure the class's individual needs will be met throughout the experience, allowing for them to stay emotionally regulated and be able to engage with the workshop effectively. The class will be supported by familiar staff, as well as having access to visuals to assist their learning. If you have any further questions regarding this, please send me an email or message me directly through ClassDojo.

We look forward to sharing this experience with the class and will share photos on ClassDojo following the workshop. Thank you for your support as we try to offer as many experiences as possible to our pupils.

Kind regards,

Alfie Holley
Class Teacher
