

Maths

- Look at activity 1 (*slide 3*) for addition and subtraction practice. Find the balloons that make 14.
- It's party time! Your challenge is to help create a party menu. First, you will need to learn how to recognise coins. Use the following money [games](#) to help you. Next, have a look at activity 2 (*slide 3*). Can you create your own menu for a party? Write the cost of each item and draw coins to show each amount. As an additional challenge, can you work out how much money is in each purse (*activity 3*). What could each child buy at the party from your party menu?

R.E.

There are many different religious celebrations across the world. Use the following links to listen to stories from different religions:

[The Good Samaritan and The Lost Sheep](#), [Rama and Sita](#), [The Prophet and the Ants](#) and [The Crying Camel](#), [The Story of Hanukkah](#) and [Sikh Stories](#). Choose a religious celebration to research using a computer or tablet. Use the questions and photographs on *Slide 2* to help you. You could create a poster of your findings.

Year 1

Home Learning Project

Week Beginning: 27.04.2020

Theme: Festivals and Celebrations

History

Birthdays are celebrated all around the world. Use the following [website](#) to find out what other historical events have occurred on the same day. You could also have a look through old birthday photographs to see how much you have changed.

P.E.

Have a go at [Zumba](#)! A dance/exercise popular in Brazil, a country well know for their celebrations.

Art and Design

Rangoli is an art, originating from India, in which patterns are created using materials such as coloured rice, dry flour, coloured sand and petals. They are usually made during **Hindu** festivals such as **Diwali**. Visit *slide 2* to help you make your own Rangoli pattern or use the following links for [craft ideas](#) and [colouring pages](#). Listen to the following [song](#) to help understand why Diwali is celebrated.

English

- Think of a festival or celebration you remember celebrating with your friends or family. Can you write a **recount** about it? See *slide 3* for details on how to write a recount.
- There are lots of unusual festivals around the world. Did you know in England we have a cheese rolling festival? Design your own festival – be as creative as your can! Write a description of your festival, design a poster to persuade people to visit, and write an imaginary recount of visiting your festival. See *Slide 3* for pictures of unusual festivals for inspiration.
- Read the [Special Days Poems](#) on Oxford Owl (*it is free to register*). Create your own poem about a special day.

Geography

Brazil, a country in South America, is well know for its huge parties called carnivals. You can find out more about Brazil by watching the videos and the resources on the following [link](#).

Other things we can celebrate

According to the [awareness days](#) website:

- Last week, was national skipping day (24th April). If you have a skipping rope why not try breaking the world record of 332 jumps in 1 minute (it may take some practice!).
- This week, it is national gardening week (27th April- 3rd May). So if you have a garden, why not try planting something new or see if you can spot any creepy crawlies in your garden.
- It is also national share a story month. Read your favourite story book to an adult, sibling or even a pet and design a new front cover for it.

Art and Design

Rangoli Ideas

R.E.

Researching a religious festival/celebration

Questions you could answer:

Name the celebration and religion
What is the purpose of the celebration?
Where does the celebration take place?
What food is eaten during the celebration?
What kind of music do they listen to during the celebration?
Do people wear special clothes or costumes during the celebration?
Add anything else you can think of that you found particularly interesting.

Diwali (Hindu)

Christmas (Christian)

Eid (Muslim)

Vaisakhi (Sikh)

Hanukkah (Jewish)

Create a poster to show what you found out!

 Week Beginning: 27.04.20
 Theme: **Festivals and Celebrations**

English

Unusual festivals and celebrations from around the world

Snow and ice festival (China)

Festival of Colour (India)

Balloon Festival (Albuquerque)

Sky Lantern Festival (Pingzi)

Which is your favorite festival and why?

English

Writing a recount of a festival or celebration

Recounts are a ways of retelling an important event. They also describe an experience you have had. They can be true or imaginary. A good recount will have the following....

Recount

- Retells an event in time (chronological) order.

Language Features

- Past tense, e.g. I went...
- Names of people, places, things.
- Written in first or third person.
- Has time connectives, e.g. then, next after that, finally.
- 'Action' verbs e.g. planted, sorted.
- Quotations - direct or reported speech.
- Must be lively and interesting, interesting detail.

Examples of recounts: diaries, witness statements, experiments, insurance claim.

Maths – Activity 1

Find all the balloons which make 14

$19 - 5$	$7 + 7$	$17 - 9$	$8 + 6$	$16 - 2$
$12 + 2$	$22 - 6$	$5 + 9$	$18 - 4$	$9 + 9$
$20 - 10$	$3 + 11$	$24 - 11$	$8 + 8$	$17 - 3$
$10 + 4$	$12 - 7$	$5 + 8$	$20 - 6$	$6 + 8$
$21 - 8$	$5 + 5$	$15 - 1$	$7 + 8$	$20 - 8$

There is no need to print these activities off, however you could draw your own balloons when you have finished and write your own addition and subtraction facts inside them.

Y1 Additional Resources Slide 3

Week Beginning:
27.04.20

Theme: **Festivals and Celebrations**

Maths – Activity 2 Example party Menu

Pizza - £2 a slice

Burger - £1 each

Sweets - 10p each

Fizzy Drinks - 50p

Maths – Activity 3

Challenge: How much money did each child take to the party? What could they buy?
