

Maths

- Click onto [White Rose Maths](#) to access presentations and downloadable workbooks which are easy to use. New material is being released each week.
- [Top Marks](#) is a fantastic website which has a range of interactive maths games to play. This also works great on a tablet or iPad.
- Can you be the teacher? Create a range of maths questions for your parents to answer. When they have completed it, you must mark their work- don't forget to leave them a comment! 😊

Year 2

Home Learning Project

Week Beginning: 20.04.20

Theme: **The Environment**

Art and Design

Do you know what materials you can use to create bird feeders. Think of the ways in which you can make the bird feeders safe. Can you use recycled materials from your house?

English

- Look on the [Book Trust](#) website and choose fiction or non-fiction books to read.
- Can you complete this reading challenge?
 1. Read a book to an adult
 2. Listen to an audio book
 3. Read part of a newspaper or leaflet
- Practice your spellings by playing the 6th sense spelling game. Look at the next page to see how to play.

Science

Can you find about about food chains? Watch this [video](#) to help you.

Did you know that plants get their energy from the sun and they are called producers because they make their own food. Animals are called consumers because they eat plants and other animals and they do not make their own food.

Can you make your own food chains? You can draw them or write them down.

As a challenge, can you find out what a predator and prey is?

Geography

Think about your day so far. How many things have you thrown in the bin? Each person in the UK throws away more than 1kg of rubbish each day. Over a year, this weighs about as much as an adult polar bear! Sadly, some rubbish is thrown on the floor- we call this litter. Litter get's into our oceans and is destroying our world. Do you know why? Can you make a poster to make people aware of how litter is damaging our world?

Design and Technology

Can you follow this simple [recipe](#) to make Earth cupcakes? I'll have a go at making them too.
