

Maths

- Can you count the spots on the ladybirds and put them in order 1-5?
- If you found the above easy try counting and ordering the spots 1-10?
- This week we're going to have a try at [adding numbers together](#) with the Number Blocks.

1+1=? Can you see
2+1=? a pattern?
3+1=? Now continue
4+1=? Adding 1 more.
5+1=?

Knowledge and Understanding

- Take a journey with the Go Getters and [explore the jungle](#). Can you recognise the animals?
- Which baby animal are you? Try the [quiz](#) and find out then ask all your family to join in.
- Find out why animals [change colour](#) just like the mixed up chameleon.
- This time of year there are lots of baby birds around just beginning to learn to fly. Can you make a [bird-feeder](#) to help mummy bird feed them?

Nursery

Home Learning Project

Week Beginning: 1:06:20

Theme: The Rainforest

Expressive Arts and Design

- Go with Andy on a [sound adventure](#) and listen and discover new sounds in the Costa Rican Rainforest.
- Join in with Raa Raa the noisy lion with his [Jungle Jiggles](#).
- Can you make a set of binoculars using 2 toilet rolls and some string to help explore a jungle?
- Follow the instructions and make a Tee and Mo [monkey mask](#).

Personal, Social and Emotional

Listen to the story of The Mixed Up Chameleon. How does the chameleon feel in the story? Do you ever wish you could be someone else?
Think of all the amazing things about you! Draw a picture of all the amazing things you can do.
Now let's listen to the [bird song](#) to help us relax this week!

Communication, Language and Literacy

- Listen to the story of Basil the bug who lives in the [Rainforest](#). He loves to sing so you might like to join in?
- Can you help 'I spy' [sound detective](#) find the monkey using the sound clues in the Rainforest?
- If you were exploring in the jungle make a list of 10 things you would need to pack into your rucksack.
- Help skywriter by finding the letters in your name and writing them in the sky.
- Play phoneme [pop](#) and find the letters as they fly through the air.

Physical

Make a jigsaw puzzle of Tee and Mo the [monkeys](#).

[Spot the differences](#) between the jungle pictures.

Go outside on a jungle exploration and imagine you are a tiger, a monkey, an elephant, a snake and a toucan. Can you move around your garden just like these animals would move and add the sound effects too!! Have fun!

In the Rainforest

Can you name all the animals in this picture?

Which animals like to live in trees?

Which is your favourite animal?

Can you make the sounds of these jungle animals?

Which food would you choose for the tigers tea?
