

## Maths

- Everyday you do maths without even realising it. Can you use this [Maths Me Profile](#) to create a number sentence poster all about you?
- Lots of you have already been creating rainbows to put in your windows to make people smile. Why not make a rainbow multiple of people joining hands to show support for your community? You'll also be practising your times tables! Use the [Rainbow Multiples instructions](#) to help you.
- With a friend or family member, why not try this [Party Puzzle](#) to see if you both see the pattern in the same way.
- This week, I'll be looking very closely at [Times Tables Rock Stars](#) to see who is winning lots of coins and having a good go. I'll respond to the winner on Marvellous Me.

## Science

Regular exercise is needed to get fit and stay healthy. Watch this [video](#) about the importance of fitness. Do you exercise often? What clubs do you do inside or outside of school? While your at home, why don't you keep a diary of the physical exercise that you do each day?

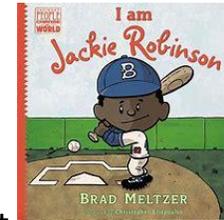

## Year 2

### Home Learning Project Week Beginning: 25.05.20 Theme: **Sport**

## History

Have you ever heard of Jackie Robinson? He was an American professional baseball player. Watch this [video](#) on YouTube to learn more about him.

From watching the video, you'll notice that he faced many challenges in his life. How must this have made him feel? How is it similar to Rosa Parks and what it was like for her growing up?

Back then, if you wanted to play professional sports, you had to be white to be able play. Is this fair? Is this discrimination?

Luckily, the rules changed thanks to Branch Rickey. Can you find out more about him?

## PE

Can you complete the following? Repeat 3 times. Repeat every day.

1. 10 star jumps
2. 10 sit ups
3. 10 second plank
4. 10 tuck jumps

## English

The Olympics happens every 4 years. Have you ever watched it on TV? Watch this video of the [Mens 200m Final](#) where you'll see Usain Bolt winning the race.

How would you feel if you were Usain Bolt and you won the 200m race?

What if you were Yohan Blake, how would you feel then?

Imagine you were Usain bolt and you won the 200m race. What would you say? What would you talk about? Who would you thank? Write this in a speech.

You will want to include adjectives and useful words in your speech.

## Design and Technology

Design a sports t-shirt for a team taking part in a sport. This can be anything like football, gymnastics or cricket. Think about what words, pictures or patterns you will put on it. You can do your design on paper or onto an old t-shirt. You can be very creative and dye, paint or print onto your t-shirt.
