

Maths

- Log on to [Times Tables Rockstars](#) and challenge yourself. How many can you get correct? Play 10 times, see if you can beat your high score.

- Have a look at the [Premier league primary stars](#) for maths challenges. Why not try the [bar chart challenge](#)?
- Complete the sports day challenge below. Can you create some questions of your own for a member of family to complete?

P.E

- Plan a sports day for your family. Think about which activities you should include. You need to have a variety of challenges that test your strength, balance, fitness, speed, agility and skill.
- The [BBC teach](#) site has some great clips to help you plan your sports day. Watch this video and join in with the [indoor athletics](#) or look at this [lava zone activity](#). Could you make a zone in your garden or in your house if you have space.

Year 4

Home Learning Project

Week Beginning: 25.05.20
Theme: **Sport**

French

Can you learn the names for 10 different sports in French? I have put a word grid below to help you. You can use google translate to help you with the pronunciation.

Can you say 'My favourite sport is...'?

'Mon sport préféré est...'

Can you ask someone in your house which sport they prefer?

'Quel est ton sport préféré?'

Test yourself. Write all the French names and the English names on bits of paper and mix them up. Can you match them all correctly.

History

As part of our work on Ancient Greece we were going to look at the Olympic games as that is where the games originated from.

What can you find out about the very first Olympics? Which sports did they participate in? Do we still compete in any of these sports now? How did it differ from the modern Olympics? Can you create a fact file all about the Olympic Games?

English

- Use your Year 3/4 spelling list and practise all the words beginning with S,P,O,R,T. Can you write a sentence for each spelling word?
- [Books for topics](#) have produced some recommended books for children of all ages. The QR codes and links take you to extracts read by the authors. The sheet with the codes for Year 4 is below. Why not listen to the extracts and see if any of these books interest you.
- Who is your favourite sports star? Is it a footballer, a tennis player, an athlete? Imagine you are a reporter and you are going to interview your favourite star. Think carefully about your questions. Write up your interview as an article in a magazine. You might need to research your star to find the answers to your questions.

PSHCE

'GIRLS CAN'T PLAY FOOTBALL'
'BOYS SHOULDN'T DO GYMNASTICS'
Do you agree with these statements?
Have a go at this [newsround quiz](#).
Are you surprised by the answers?

Maths activity

Sports-day maths

PUPIL ACTIVITY SHEET

- How many children in your class? _____
- Divide them into four teams with equal numbers of players. How many in each team? _____
- Are there any left over? How can you make it fair?
- These are the races.

Egg and spoon race	Running race	Three-legged race
Obstacle race	Sack race	Beanbag race
Dressing-up race	Lost property race	

- In the bean bag race each runner needs three beanbags and a hoop. How many bean bags do you need for six runners?

_____ bean-bags

- Everyone wants a go in the sack race but there are only five sacks. How many sack races do you need to give everyone a go?

_____ sack races

- In the dressing-up race, each runner needs a hat, a coat, a pair of gloves and a pair of shoes. In the lost property race you find 11 gloves, 14 wellingtons, 12 hats and 7 coats. How many complete outfits does that give you for the dressing-up race? (You may have some left over.)

_____ complete outfits

- You will need some squash to drink. You can make 12 drinks from one bottle of squash. How many bottles do you need for the whole class?

_____ bottles of squash
