

Maths

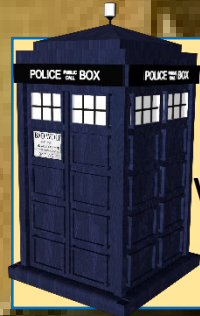

- This week's theme on [White Rose Maths](#) is units of measurement. Have a look at the daily teaching videos and have a go at the activities. If you want to extend your learning even further check out the BBC Bitesize daily activities:
- <https://www.bbc.co.uk/bitesize/tags/zhgppg8/year-5-and-p6-lessons>
- Check out [Oak Academy's online classroom](#) and maybe revise an area of maths that you aren't as confident with – keep looking at this over summer so you go to high school full of confidence!

PSHCE

Think back over this year. It has been a strange one, but what things have you achieved? What memories do you have? What are you proud of? Write a extended diary entry for 2019/2020 – almost like a letter to yourself – reminding you of all the good times, the not so good, the accomplishments and the memories. Put it somewhere safe (or ask a parent to) and read it back in years to come...2020 is certainly a year that we will remember!

PE

Discover how light travels and get active at the same time. More Dr Who themed fun!! You might have to get some help from your family for this one 😊😊😊

Year 5

Home Learning Project

Week Beginning: 13.07.2020

Theme: Time travel

If you have any work that you are really proud of, email it to helen.clarke@danebank.tameside.sch.uk to show one of the teachers!

Dr Who

Find loads more Dr Who related Home Learning [here](#) – Setting this up is really easy to do - go to www.twinkl.co.uk/offer and enter the code UKTWINKLHELPS

Science

Who better to teach you about the solar system than Dr Who herself? Check out these activities all about the solar system on [BBC Bitesize](#). Then, could you make your own model solar system or create a poster? Perhaps if you have some glow in the dark stars (and ask your parents nicely!) you might be able to create some constellations on your bedroom ceiling.

English

Have a go at some of the activities on BBC Bitesize daily:
<https://www.bbc.co.uk/bitesize/tags/zhgppg8/year-5-and-p6-lessons/1>
Explore [Pobble 365](#) and keep writing each day – this will keep your writing skills sharp over the summer holidays.
And don't forget you can access lots of free e-books on [Oxford Owl](#).

Art and Design

In [this episode](#), Dr Who took Vincent Van Gogh to the future to see his artwork in a gallery. Can you recreate one of his art works? Try [this one](#) for inspiration.

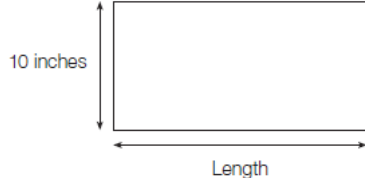

PSHCE

What a legacy Vincent Van Gogh created. If you were to travel into the future, what would you want people to remember you for? What are your hopes and ambitions for next year when you go into Y6? [Create a vision board](#) & see if you can achieve all of your dreams...I think you definitely can!

Year 5

Home Learning Project – Maths

Week Beginning: 13.07.2020

Monday	Tuesday	Wednesday	Thursday	Friday
$125 + 271 =$ $100 - \underline{\hspace{2cm}} = 30$ $\frac{5}{6} + \frac{1}{2} =$ 6.23×100	$72 \div 8 =$ $\underline{\hspace{2cm}} = 4650 - 1000$ $\frac{3}{7}$ of 2800m = 36×49	$\frac{4}{7} + \frac{2}{7} =$ $4^2 =$ 172×5 $72 + \underline{\hspace{2cm}} = 10000$	$42 \times 6 =$ $\underline{\hspace{2cm}} \times \text{£}168 = \text{£}1680$ $\frac{9}{11} \times 3 =$ $1\frac{2}{3} + 1\frac{5}{9} =$	$18072 + 3928$ $6 \times 8 = \underline{\hspace{1cm}} \times 4$ $852 \div 6 =$ 394×17
<p>Mr Kirk has 6 boxes of 20 oranges. How many oranges does he have in total? Mr Kirk sells half of the oranges. The remaining oranges are packed into bags of 5 How many bags of 5 oranges does Mr Kirk pack?</p>	<p>In which number does the 3 digit represent 3 tens? 173 3715 13914 1738</p> <p>In which number does the 7 digit represent 7 tenths? 573 57.2 5.72 0.572</p>	<p>It takes her 35 minutes to get to school. What time does Saba arrive at school? Write the time as it would look on a digital clock</p>	<p>Write $\frac{13}{5}$ as a mixed number.</p> <p>The length of a paving slab is double the width.</p>  <p>One inch is approximately 2.5 cm. Work out the approximate length of the paving slab in centimetres</p>	<p>Aisha runs 4 laps of a running track. The total distance Aisha runs is 800 metres. Ben runs 7 laps of the same track. How far does Ben run?</p>
<p>Tom has 67 football stickers. Max has 3 times as many stickers as Tom. How many stickers do they have altogether?</p>	<p>Use the same number to complete the boxes.</p> $3 \frac{4}{\square} = \frac{25}{\square}$	<p>Kate's book has 280 pages. She reads a quarter of the book on Monday. She reads 50% of the remaining pages on Tuesday. Calculate how many pages of the book Kate read on Tuesday.</p>		<p>Eva buys 4 litres of juice. She drinks 750 ml of the juice herself and shares the rest between her five friends. How much juice does each friend get?</p>

Year 5
Home Learning Project – English
Week Beginning: 13.07.2020

Monday	Tuesday	Wednesday	Thursday	Friday

Medieval Monarchs: https://drive.google.com/file/d/1ASkmLsf7X9M9K-3CiUmpWci6w3L3B0B4/view				
Henry II	King Richard & King John	Henry V		
<p>In which year did Henry become King of England?</p> <p>Which country did Henry II invade in 1153?</p> <p>How many children did Henry II and his wife have?</p> <p>Who did Henry fight with until his death?</p> <p>How many years did Henry spend in England during his reign?</p>	<ul style="list-style-type: none"> • <i>But he thought that he should be the king of England as well.</i> • <i>However, during the 34 years of his reign, he only spent 13 years in England. The rest of the time he spent in France.</i> <p>What do these two extracts suggest about why Henry wanted to be King of England and what type of King he was?</p> <p>Find and copy two examples of where Henry II improved England during his reign.</p>	<p>Who was king first: Richard or John?</p> <p>What did Richard become known as?</p> <p>Who did Richard battle during the Third Crusade?</p> <p>Which group of people did Richard treat harshly?</p> <p>What did King John like to spend money on?</p> <p>Who did King John argue with and why?</p> <p><i>Richard was known to be cruel.</i></p> <p>Do you agree with this statement?</p> <p>Use evidence from text to support your answer.</p>	<p>In what year did Henry V become king?</p> <p>Henry was the king of which <u>two</u> countries?</p> <p>What is the name of Henry's most famous victory?</p> <p>Who did he defeat?</p> <p>What did Shakespeare do to help honour Henry's victory?</p> <p>How do historians remember Henry V today?</p> <p><i>'Agincourt is still remembered as one of the most important battles in the history of England'</i></p> <p>Why do you think historians view Agincourt as such an important battle?</p> <p>Use evidence from the text to support your answer.</p>	<p>This week is our final big write of Year 5 and I want you to be creative! Write your very own Dr Who story. Who would be the Dr? You? Or maybe it could be one of the Drs from TV. What moment in time would you travel to? The past or the future? Write the best story you can and think about all the things that you have learnt in English over the last year: paragraphs, punctuation, vocabulary, spellings etc.</p> <p>I would really love to read your stories, so if you write one please send it to my email address (on the first slide!)</p>

See you soon

[Click here](#) for a message to all our amazing children and families – we can't wait to see you all in September! Until then, stay safe and take care x
