Dane Bank's Ethos for Pupil Premium Grant
Dane Bank seeks to improve the whole child not just their academic achievement and using our PPG effectively is just one aspect of our whole school approach to raising standards. Many of the actions that we spend our Pupil Premium Grant on, cannot be measured statistically. However, these activities play a huge part in improving a child's outlook, attitude and their ability to take control of their own learning. Confidence, happiness and motivation are not assessed but are valuable attributes of our future learners. We take pride in planning and devising activities which will inspire and enthuse our children, therefore preparing them for life.

Main Barriers to Educational Achievement
At Dane Bank the progress of all pupils is monitored regularly and where pupils are experiencing difficulties, the Inclusion Team meets to identify priorities and discuss the most appropriate type of intervention required for individuals, groups and occasionally families. A wide variety of potential barriers to learning have been identified. These include: <ul style="list-style-type: none"> <li>• Poor attendance and punctuality</li> <li>• Family/pupil illness</li> <li>• Mental health issues</li> <li>• Families experiencing long or short term difficulties</li> <li>• Speech and language difficulties</li> <li>• Behavioural and social issues</li> </ul> In order to overcome these barriers, the school places an emphasis on pastoral support and early intervention. In addition to this, pupils are provided with a wide variety of enrichment opportunities within the curriculum and before/after school in order to engage pupils, increase motivation and develop a love of learning.

## Monitoring for Impact

- We will ensure that:
  - A wide range of data is used – achievement data, pupils’ work, observations, learning walks, case studies, and staff, parent and pupil voice
  - Assessment Data is collected half termly so that the impact of interventions can be monitored regularly
  - Assessments are closely moderated to ensure they are accurate
  - Teaching staff and support staff attend and contribute to Pupil Progress Meetings each term and the identification of children is reviewed
  - Regular feedback about performance is given to children and parents
  - Interventions are adapted or changed if they are not working
  - Case studies are used to evaluate the impact of pastoral interventions, such as on attendance and behaviour
  - The Inclusion Team maintains an overview of pupil premium spending
  - A governor is given responsibility for pupil premium
  - Termly reports provided to the Governing Body
