Reception Class Work Pack

Dear Parents and Carers,

A Reception class work pack will be available to pick up from school each week. The pack will contain worksheets and resources that should help when completing the home learning activities. Directions and assignments will be posted on Microsoft Teams and the packs will be used to support the activities and lessons from the online learning. Please continue to take photographs of your child's work and send it on Microsoft Teams. I will then be able to give feedback on completed work.

Please pick up the work pack from the school office between 10am and 2pm each Friday. Please hand in any completed work from the previous week as you pick up your new pack.

If you need any other resources, please email school at the following address:

a.c.d.todhunter@danebank.tameside.sch.uk

Kind Regards,

Mrs Megson

Reception class teacher
