Dear Parents / Carers

Additional Funding for Dane Bank Primary School by registering your child for Free School Meals

The government is giving money to schools to help children from lower income families do their very best. This funding is called Pupil Premium.

For every child registered, the school will get an additional £1,345 (even if you do not take up the school meals and provide your child with a packed lunch).

Your child may be eligible if you are in receipt of certain benefits and this will enable the school to access additional funds to help your child achieve: (see over for eligible benefits)

Or if your child has:

- Been looked after by the local authority for at least 24 hours or more in England or Wales
- Been adopted from care in England or Wales
- Left care under a special guardianship order or child arrangement order in England or Wales

You can apply for school meals using the following website:

www.cloudforedu.org.uk/ofsm/sims-tameside

Claiming Free School Meals also means that your child will be entitled to a healthy meal at lunchtime, saving you more than £400 per year. There is no stigma attached to receiving free school meals and we treat all children equally – we do not single out children who receive free school meals from those who pay – the children do not know who receives free school meals.

If you don't want your child to have the school meals they can continue as normal bringing in their packed lunch.

Please note that no one will know you are registered and it will not affect any other benefits you are claiming.
