Monday 19th July 2021,

Dear Parent/Carer(s),

School Dinners – September 2021

We are thrilled to announce that the school kitchen has been taken over by a new company called Dolce. (www.dolce.co.uk)

Dolce will be launching a new menu from September which includes lots of new dishes, themed days and a new way of ordering, which hopefully should make it easier for you to choose your child's meals and ensure they try a variety of healthy and appetising foods.

We are so excited for you to try the new meals and we have arranged for some taster sessions at events early next academic year.

What is really amazing about our move to Dolce school catering is the way that you and your child can choose the school meals. Dolce use an online ordering and a cashless system for meals called School Grid - more information on this is attached. There is also lots of information about our new school meals on our website.

We would like your permission to share some details with School Grid, mainly your name and email address - then you will receive an email from School Grid to register.

All parents are encouraged to register, even if your child has packed lunches, so they can participate in our themed dinner days or Christmas dinner if desired. Our first themed day will be in October where the menu will follow an "Outer Space" theme! Registering is also helpful in case of forgotten packed lunch as you can then order them a lunch to replace this.

We feel that this will really improve the lunch experience for your child/ren and we are so excited to be going live with our new system in September!

Please note: if your child is in Reception, Year One or Year Two, they will be eligible for Universal Infant Free School Meals.

If you have any questions about this please don't hesitate to contact the school office.

Kind regards,

Mrs Lennon

Deputy Headteacher
