Friday 27th May 2022

I can't believe the end of term is here already—it has been incredibly busy in school and the term has flown by! It feels like we are really ending the term 'on a high' as our Year 6 children have returned from their residential; our Jubilee Fair was a great success and today we have a small group of Y6 girls attending a football session where they will meet Ella Toone—a midfielder who plays for Manchester United Women and is an England Lioness! I hope everybody has a lovely half term break and we look forward to seeing you back for the final half term on Monday 13th June! Mrs Lennon ☺

## The Year 6 Residential

The Year 6 children have now arrived home safely from their residential trip to Kingswood. They seem to have had a great time and the staff that accompanied them on the trip were so proud of how well they represented our school whilst away. During the trip, they conquered climbing walls, sailed kayaks and completed assault courses whilst blindfolded! Excellent work Year 6—we are so proud of how well you worked as a team! The residential for next year is now booked and Year 5 will get their letters after the holidays. A special thank you to Mrs Rathbone, Mrs Fuggle and Mrs Beale for going along to lead the trip for the children. It wouldn't have happened without you!

## Stars of the Week

These children have been chosen by their teacher to receive the "Star of the Week" certificate in Friday assembly—what a great achievement!

We are very proud of them all.

## The Jubilee Fair / Fundraising

Thank you so much to those that came along to our Jubilee Fair yesterday. The rain did not stop us and we still managed to hold a lovely event. Mr Varley and Ed were well and truly soaked by the end of the night—and the tombola's were completely wiped out—always the sign of a successful fair! Special mention must go to our amazing choir who did a fantastic job... I felt so proud to stand and watch them and definitely had a goose bump moment as they sang their final song, "Titanium"!

Thanks to your support, we managed to raise £780 which is just incredible. That makes our fundraising total for this school year, £3300—we are hoping to organise for our new climbing frame additions to happen very soon!
