Friday 1<sup>st</sup> July 2022

Dear Parent/Carer(s),

**Animal Visitors coming into school for EYFS classes.**

As part of our ongoing topics in reception and nursery this half term we have arranged for an external company to visit school on **Monday 18<sup>th</sup> July**. During the visit the company will bring in different types of animals for the children to see, handle (if they wish to) and learn more about.

The workshop will take place in the afternoon at 1pm, so that all nursery and reception children can be included in this opportunity if your nursery child attends in the morning please could you bring them in at 12.45 for the afternoon session.

There will be two workshops so that both classes will have adequate time to participate in the activities involved within the animal workshop/visit. This gives the children time to ask questions and we are sure, will inspire lots of other areas of their learning! We are asking for a voluntary contribution of £3.50 per child to fund the cost of the animal workshop.

If you require any further information or have any questions, please do not hesitate to contact a member of the EYFS staff. Please make payment via school money by Monday 11<sup>th</sup> July.

Many thanks

Reception and Nursery Team .
