## A note from Mrs Lennon

We have had a really nice week in school and have all been so pleased to see the sunshine starting to make an appearance!

Please remember, in the warmer weather, it is ideal if the children can come to school having already put some sun cream on at home. Children can bring extra in to top-up during the day if needed, please label this and let the Teacher know. Staff are happy to help younger children re-apply during the day. Please also make sure the children have hats too for sunnier days.

Fingers crossed the nice weather stays for the weekend!

## Class Dojo

Please remember to follow the link that was sent out via text earlier this week to connect to your child's class on Class Dojo. We are hoping the platform will be a great tool to help us to be more connected to our families and will help parents in having an improved knowledge of the learning that is taking place at school.

Remember—when you “join”, you may be asked to verify your email address. Until you do this, we can not approve your “connection” and your account will not activate.

If you are struggling with this, please contact the Office.
